### SOUL RAVES

*This was a great event! All my dancers felt comfortable enough to try new styles of dance and my own daughter got in the car, said she had so much fun and fell asleep. No talking about awards, no why, how, next time, just pure FUN! Thank you for that! Alexis Diaz Menendez, Street Beetz Dance Studio*

*Let me just say . . . Soul is what this industry needs - it was EVERYTHING! Thank you, Rhee Gold and faculty for inspiring all of us. My dancers and staff made so many friends in 3 days and those friendships will last a lifetime. Thank you. ♥ Erin Rae McNamara, Erin Rae's School of Dance*

### WHAT IS SOUL?

Soul is a groundbreaking, non-competitive experience for dancers, their parents and teachers to immerse themselves in all that dance has to offer. In addition to movement classes, attendees participate in workshops, and discussions to gain valuable insight into the college and university landscape, enlightening exploration of career paths, mental health awareness and much more, all designed to educate and inspire those who are passionate about the dance life!

### SOUL: WHO CAN ATTEND?

- Dancers age 9-12 & 13+ who have a passion for dance
- Parents of dancers who are attending Soul
- Teachers of dancers attending Soul

**A POWERFUL  
Soul-Centered Conference

## THERE IS NOTHING ELSE LIKE IT . . .

- **Connect** with teachers, mentors, and leaders who are ready to nurture and encourage young artists
- **Embrace** your individualism to discover what YOU bring to the dance world
- **Explore** the opportunities that the dance journey has to offer, today and in the future
- **Become conscious** that great dance is not determined by the awards or accolades achieved
